

ADVANCE PROGRAMMING

LAB TASK #01

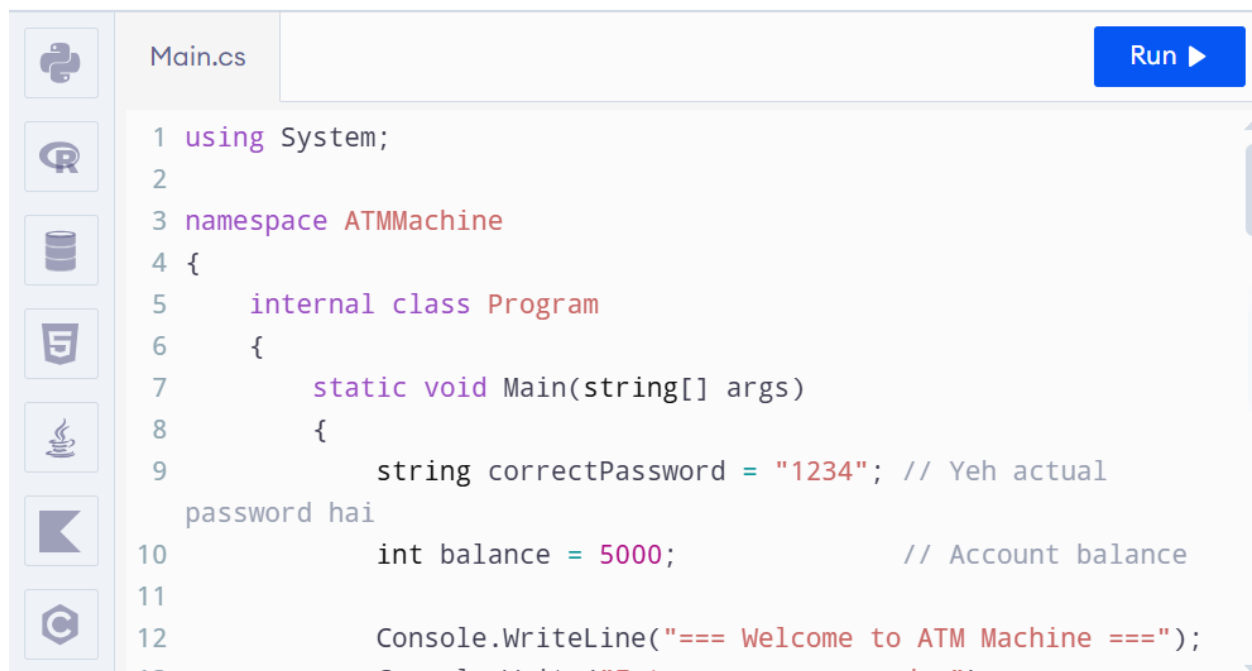

Name : Sobia Shafique

Reg no: FA24-BCS-132

QUESTION : Basic code of ATM machine using nested if else

C# Online Compiler

```
1 using System;
2
3 namespace ATMMachine
4 {
5     internal class Program
6     {
7         static void Main(string[] args)
8         {
9             string correctPassword = "1234"; // Yeh actual
password hai
10             int balance = 5000;           // Account balance
11
12             Console.WriteLine("=== Welcome to ATM Machine ===");
13             Console.WriteLine("Enter your password: ");
```

```

12 Console.WriteLine("Welcome to ATM Machine");
13 Console.Write("Enter your password: ");
14 string enteredPassword = Console.ReadLine();
15
16 // 1st if-else: Password check karne ke liye
17 if (enteredPassword == correctPassword)
18 {
19     Console.WriteLine("Password Correct! Access
20     Granted.\n");
21
22     Console.WriteLine("1. Check Balance");
23     Console.WriteLine("2. Deposit Money");
24     Console.WriteLine("3. Withdraw Money");
25     Console.Write("Enter your choice: ");
26
27     int choice = Convert.ToInt32(Console.ReadLine());
28
29     // 2nd if-else: Password sahi hone ke baad ka
30     menu
31     if (choice == 1)
32     {
33         Console.WriteLine("Your Balance is: " +
34         balance);
35     }
36     else if (choice == 2)
37     {
38         Console.Write("Enter amount to deposit: ");
39         int deposit =
40         Convert.ToInt32(Console.ReadLine());

```

```

36         balance = balance + deposit;
37         Console.WriteLine("Amount Deposited! New
Balance: " + balance);
38     }
39     else if (choice == 3)
40     {
41         Console.Write("Enter amount to withdraw: ");
42         int withdraw =
Convert.ToInt32(Console.ReadLine());
43
44         if (withdraw <= balance)
45         {
46             balance = balance - withdraw;
47             Console.WriteLine("Amount Withdrawn! New
Balance: " + balance);
48         }
49         else
50         {
51             Console.WriteLine("Insufficient
Balance!");
52         }
53     }
54     else
55     {
56         Console.WriteLine("Invalid Choice!");
57     }
58 }
59 else
60 {
61     Console.WriteLine("Wrong Password! Access
Denied.");
62 }
63 }
64 }
65 }

```

OUTPUT

Output

```
=== Welcome to ATM Machine ===  
Enter your password: 1234  
Password Correct! Access Granted.  
  
1. Check Balance  
2. Deposit Money  
3. Withdraw Money  
Enter your choice: 3  
Enter amount to withdraw: 100  
Amount Withdrawn! New Balance: 4900  
  
=== Code Execution Successful ===
```
